Subject : End of Life (EOL) notification for some series of Photo flash aluminum electrolytic capacitor

Dear Valuable Customers,

We would like to take this opportunity to extend our heartfelt appreciation to your continued support and patronage rendered to our company.

We are writing this letter to inform you of an upcoming end of life (EOL) on our some series of Photo flash aluminum electrolytic capacitor.

In recent years, the scale of business for Photo flash aluminum electrolytic capacitor has been shrinking and production equipment has been aging. We have been considering additional capital investment internally, but it was finally decided that it would be difficult to continue as a business due to the impact of the shrinking business scale.

EOL product part numbers subject to discontinuation are listed on a separate sheet.

Replacement Product : None

Last time order date : 31st/Dec/2022.

For more details, please feel free to contact your local Rubycon sales office.

We apologize for any inconvenience caused and we sincerely ask for your understanding and cooperation.

Sincerely yours

Susumu Sakai
Corporate Officer
General Manager of Production DIV
