Customer:		Issue date: May 23, 2022	
Title subject:	VL connector Contact: Addition of copper alloy material manufacturers	Revision date:	

Please take note that we would like to add two companies as manufacturer of copper alloy materials for the VL connector Contact due to the supply restrictions by current copper alloy material manufacturer as follows.

**1. Target product and Part number**

VL connector  
Part number: SVF-\*T-P2.0, SVM-\*T-P2.0

**2. Details of the change**

Two companies as manufacturer of copper alloy materials shall be added to the current material for the aforementioned subject products.  
For additional products (made of additional material), the certification to current UL/CSA/TÜV standards applies.  
As for the part number of additional products, the identification symbols shall be suffixed to the end of current part numbers as shown in the table below.

---	Copper alloy material manufacturer	Part number <Example>
Before change	Company A	SVF-61T-P2.0
After change	Company A	SVF-61T-P2.0
	Company B	SVF-61T-P2.0 (KO)
	Company C	SVF-61T-P2.0 (PM)

**3. Reason for the addition**

Because of difficulty of procuring the current material, this measure shall be taken.

Your thought understanding and consideration would be very much appreciated.

-End-
