

Product change notification (PCN)

Title / short description	Color change for D-SUB connectors: 9-pos. female strip
Affected article category	System cabling for controllers
Change category	Form and appearance
Change number	CCK220095-00

Purpose/objective of the change

Color change for D-SUB connectors: 9-pos. female strip

Detailed description of the change

Due to global supply bottlenecks for components, another supplier will be approved and used for D-SUB connectors. This will mean that the color of the connector contact carrier will change from white to black. To avoid a longer-term suspension of deliveries for termination boards and front adapters, mixed deliveries of the color versions may occur.

This color change does not affect the technical properties or approvals.

Identifying characteristics

Color of the D-SUB female strip

Start of Production (SOP)	-	Last Time Delivery (LTD)	-
Effective date (EOP)	2022-08-01	End of Service (EOSR)	-
End of Sales (EOS)	-		

Short-term change (< 6 months) or discontinuation (< 12 months), due to:

- Software / Firmware Bugfix
 Short-term delivery stop by supplier
 Short-term recall by supplier
 Force majeure
 Product improvement with customer benefits
 Others

Deliveries could be suspended if no change is made
