

Title of Document: Request for Change	Issue No. G22-03753	Rev. 1
Customer:	Issue date: June 16, 2022	
Title subject: XA connector Header: Addition of housing resin material	Revision date: August 22, 2022	

Please take note that we would like to add one new manufacturer of the PA 66 resin used for the XA connector Header due to the supply restrictions by current resin manufacturer as follows.

1. Target product and Part Number

XA connector <Top entry type>

Part number: B*B-XASK-1 (LF)(SN)(*), etc. <See appendix.>

2. Contents

One new housing resin material manufacturer used for the above subject products shall be added to the current manufacturer.

Additional products (made of additional resin) are UL/CSA/TÜV certified.

For the time being, additional products will only be available in natural color due to certain reason of manufacturer.

—	Resin material manufacturer	Part No. <example>
Before change	Current manufacturer	B*B-XASK-1 (LF)(SN)
After change	Current manufacturer	B*B-XASK-1 (LF)(SN)
	Additional manufacturer	B*B-XASK-1(SU) (LF)(SN)

3. Reason for the addition

Because of difficulty of procuring the PA 66 resin due to the supply restrictions by current resin material manufacturer, this measure shall be taken.

Your thought understanding and consideration would be very much appreciated.

-End-
