Title / short description	Edge printing of US-EM(S/L)P
Affected article category	Marking and labeling
Change category	Marking
Change number	CBG220012-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Due to the edge printing of the US-EM(S/L)P versions, the separation process will be clearer for the customer.

Detailed description of the change

From September 30, 2022, the US-EM(S/L)P items in various sizes will be gradually switched to the new format as described below. The edge printing on the US-EM(S/L)P versions, which will contain the additional text "Start tearing here", will point out the modified separation process to the customer. All other technical properties remain unchanged.

Identifying characteristics

Production batch V/C on the packaging label; edge printing "Start tearing here".
