LBS SERIES END OF LIFE NOTIFICATION

Dear Valued Customer,

This notification is sent to inform you that Samtec has discontinued the entire LBS series.

Samtec makes great efforts to avoid discontinuing products. Unfortunately, for this series, we are unable to procure the pins to build the series, so we are forced to discontinue this entire series.

We realize upon receipt of this announcement you may require a Last Time Buy. We will allow a Last Time Buy **if** material is still on hand to build. If a Last Time Buy is allowable, the PO must be placed by no later than May 1st, 2023 and be taken within 3 months.

While Samtec is discontinuing the entire LBS Product Line, we do not have a Drop-In Replacement for this series.

Samtec greatly appreciates and values our business relationship, and we apologize for any inconvenience this necessary business decision may cause.

Best Regards,

Greg Reidinger
Business Development Manager
