Product Change Notification

1. ECR #: 227057
Notification #: 700

2. Date of Announcement: August 28, 2023

3. Series:

- BTH - .5mm DOUBLE ROW TERMINAL ASSEMBLY

4. Part #'s Affected

- BTH-XXX-XX-X-D-XX-X-XX

5. Description of Change:

Remove Tube Packaging and Replace with Tray as primary method. Tape and Reel will remain an option.

6. Method of Identifying Change

Parts packaged in Trays when T&R is not selected.

7. Reason for Change:

Series has been moved to a new vision inspection platform that requires the use of trays for that process. After vision, parts are placed back into trays or loaded into tape and reel depending on option selected. Tube Packaging is being discontinued for the standard series. If needed, Tube packaging can be made available as an ASP option.

8. Impact of Change on Form, Fit, or Function:

- Form - No physical change to the assembly, only changing one of the two current packing methods.

9. Projected Implementation Date: November 26, 2023
