Customer:		Issue date: February 15, 2024	
Title subject:	FMN connector: Packaging specification change of embossed reel products		Revision date:

Please take note that we would like to change the subsidiary material for packaging of the FMN connector embossed reel products as follows.

**1. Target product**

FMN connector SMT type products <See appendix for part numbers.>

**2. Details of the change**

The color of embossed plastic reel of the subject products shall be changed from white to black (eco reel). According to this change, the size and packaging quantity, etc. remain unchanged. (See photos below.)

Item	Before change	After change
Embossed-tape Plastic reel		

**3. Reason for the change**

In order to stabilize the delivery time of material and to save resources by using recycled materials, this measure shall be taken.

**4. Timing of the change**

It shall be switched sequentially from our factory-shipped products from April 2024.

Your thought understanding and consideration would be very much appreciated.
