

Product discontinuation notification (PDN)

Title / short description	Discontinuation of FDC crimping pliers and accessories
Affected article category	Tools
Change category	Discontinuation
Change number	IAB230019-01
Reason for PCN/PDN Revision	

Purpose/objective of the change

Discontinuation as a result of portfolio optimizations

Detailed description of the change

We always strive to provide you with state-of-the-art products for your application. To this end, for commercial or technical reasons, it is necessary to regularly evaluate the product portfolio and adapt it accordingly. In this context, we regret to inform you that the products mentioned will be discontinued. The items will remain unchanged from a technical point of view, but will be given new item numbers and designations. This is a standardization of the nomenclature in the portfolio. The combination of several crimping pliers ensures optimized and user-friendly handling. Please refer to the attached Excel document and the accompanying item list for the respective substitutes and changes.
