

Title of Document:	Request for Change	Issue No. G24-02182	Rev. 0
Customer:		Issue date: April 8, 2024	
Title subject:	JWPF connector (Wire-to-Board) Base housing assembly: Addition of production place	Revision date:	

Please take note that we would like to add our Shanghai Plant to current our Malaysia Plant as a production and shipping plant for the JWPF connector (Wire-to-Board) Base housing assembly as follows.

1. Target product and Part Number

JWPF connector Base housing assembly

Part number: B()B-JWPF-SK-R (LF)(SN)

< () represents the number of circuits: 02, 03, 04, 06, or 08 >

2. Timing of implementation

After customer's approval.

3. Details

Our Shanghai Plant shall be added as a production and shipping place for the above subject products. We have confirmed the compatibility performance between products made in Malaysia and those made in Shanghai. Additionally, the overseas standards (UL, TÜV), material quality, or product specifications remain unchanged. Furthermore, the packaging specifications and quantities remain unchanged. However, please note that there are differences in the tray between Malaysia-made and Shanghai-made products. (See photo below.)

4. Reason for the addition

To ensure supply redundancy. (For BCP measures.)

5. Labeling

Label of product made in Shanghai Plant is different from that of conventional product made in current Plant.

a) "(G)" indicating the Shanghai Plant-made product shall be prefixed on the beginning of the part number on the product label.

e.g.) (G)B06B-JWPF-SK-R (LF)(SN)

b) Shanghai Plant ID mark on the label shall be (Ⓞ). <Malaysia Plant ID mark: Ⓧ>

Your thought understanding and consideration would be very much appreciated.
