Product Withdrawal Notice

Low ESL Chip Multilayer Ceramic Capacitors

LLL series (Precious Metal Inner Electrode), LLA31 series, LLM31 series and LLC31 series

Dear Valued Customer,

Thank you very much for your great and continued support for business with Murata. We would like to notify you regarding one of our product's withdrawal and discontinuation. Please review the details of this notification and provide your response by the due date(s) below. Also, please place Last Time Buy orders before the end of September 2018 as needed. Your understanding and support are highly appreciated.

1. Product Type, Customer/Murata/Alternative Part Numbers:

Product Type: Low ESL Chip Multilayer Ceramic Capacitors

LLL series (Precious Metal Inner Electrode), LLA31 series, LLM31 series and LLC31 series

*Murata P/N example of LLL series (Precious Metal Inner Electrode): LLL185B11C103KD01L
(15th digit "D" indicates Precious Metal Electrode)

Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

The production of these target items has decreased, making it difficult to maintain continuous production (also due to aging equipments). Additionally, some LLL series are using Precious Metal material for the Electrode which has become nonstandard.

3. Product Withdrawal Schedule:

Last Time Buy (*): September 30, 2018

Last Production Date: March 31, 2019

Last Date of Shipment: September 30, 2019

(* Last Time Buy order is subjected to Minimum Order Quantity and Package Quantity. Order Cancellation and Product Return will be accepted only in the case of quality issue.

4. Customer Response:

Please respond by **March 31, 2018** regarding your understanding and acceptance of this Withdrawal Notice or whether you need further discussion and/or adjustment with Murata.

5. Contact Window:

Should you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
