PCN No.:	IBF180001	Date:	05.03.2018
Product:	SAC cables with SPEEDCON knurled locking screw		

Discontinued product		Replacement product	
Order no.	Designation	Order no.	Designation
	See attached product list		See attached product list

Description of discontinuation
<p>The stated sensor/actuator cables with SPEEDCON knurled locking screw are hereby discontinued.</p> <p>The corresponding replacement products have knurled locking screws with a standard M12 thread. These are compatible with SPEEDCON threads; however, the fast locking function can no longer be used.</p> <p>The affected products and the respective replacement products are listed in the accompanying product list.</p> <p>The difference between the two knurled screw types are shown in the following illustrations.</p>

Discontinued products – SPEEDCON thread

Replacement products – standard M12 thread
