RE: LFPCNC0185 30407, 30158, 30525 Circuit Breaker Obsolescence

Dear Valued Customer,

As a continuation of product change notice C0171, I am writing to inform you that effective immediately the following circuit breaker parts are obsolete. We will be able to fulfill orders only while existing supplies last.

We sincerely apologize for the inconvenience this will cause. We were reluctant to obsolete these parts and we attempted to find an alternate supply-chain solution, but we were ultimately unable to establish one that met our quality standards.

**The parts affected are as follows.**
