

Product change information (PCN)

PCN No.:	AAB170048	Date:	28.05.2018
Product:	RC...		

Order No.	Designation
See attached product list	

Description of changes		
<input checked="" type="checkbox"/> Product appearance (fit)	<input checked="" type="checkbox"/> Product geometry (form)	<input type="checkbox"/> Product function (function)
Change to O-ring of cable clamp type cage		
<p>As part of the ongoing product improvement process, the turned 1 and 1.5 mm contacts of the RC series are being rounded off and lengthened. All products in the attached list are affected.</p> <p>On the 1.5 mm PE crimp contact (leading, RC-15P2100 – 1623780), a collar is additionally being added at the crimp sleeve to visually distinguish it from the standard contacts.</p> <p>The change to the contact geometry has no influence on the compatibility with the connectors used hitherto. The electrical and technical properties of the contacts and connectors, as well as the crimping pliers settings, are not influenced by the change.</p> <p>It is a purely visual change that does not influence the technical properties of the product in any way.</p>		

Previous production status

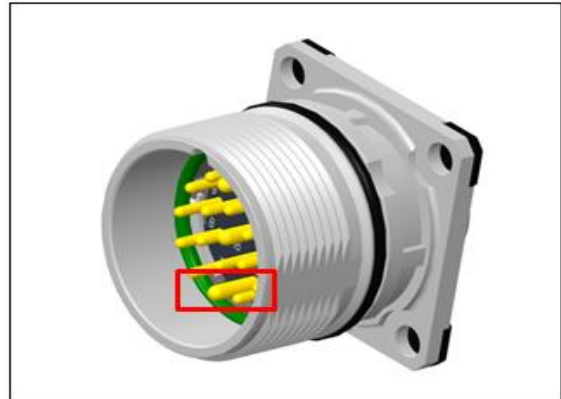

PE-Kontakt RC-21P2000

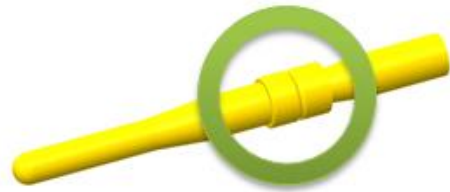

Löt-, Einlöt- und Crimpkontakte 1,5mm

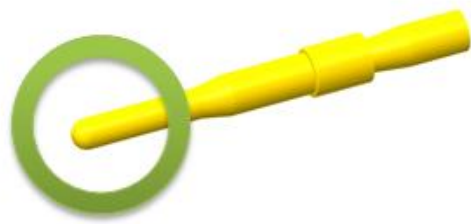

Future production status

PE-Kontakt RC-21P2000

Löt-, Einlöt- und Crimpkontakte 1,5mm

Expected initial delivery of the changed products
