Order No.	Designation	as of product revision	Hardware/firmware, old	Hardware/firmware, new
	Please see attached list			

Description of changes

Product appearance (fit)
 Product geometry (form)
 Product function (function)

Additional approval (ROHS & EAC) and change of printing

Two additional approvals are printed onto the articles listed in the product list. Due to the changes in printing, the hardware revision is increased. In order to ensure the consistent availability of the aforementioned products, the change must be completed promptly (the term of 6 months is not kept).

Expected initial delivery of the changed product(s)	As of now
