RE: LFPCN41214

From: Littelfuse Product Management Team

**Dear Customer,**

Please be aware that Littelfuse is discontinuing the production of PLED5HT/PLED5Q12 due to decreased demand and suggest PLED6N as replacement Parts, the purpose of this PCN letter is to describe Littelfuse 's policy for the discontinuation, offer a last time buy opportunity, and ensure proper notification of this program and trigger replacement part qualification in customer side.

### **Terms & Conditions for last Time Buy**

1. All P.O.'s must be placed by 10.01,2018.
2. All deliveries must be scheduled prior to Dec.31.2018.
3. Order acceptance is subject to Littelfuse's Standard Terms & Conditions, including but not limited to, credit approval, minimum order requirements and minimum shipments quantities.
4. All P.O.'s are non-cancelable and cannot re-scheduled. This must be indicated on Purchase Order.
5. Devices are not returnable except under Littelfuse 's standard warranty.

Best Regards
