Description of change

We aim to provide you with state-of-the-art products for your application. To this end, it is necessary for commercial and technical reasons to regularly check the product range and adjust the product lifecycle.

We hereby announce the discontinuation of the products listed in the attachment.

In order to cover your foreseeable requirements for spare parts, you will be able to order the stated products up until July 01, 2019 (last order). Final delivery will take place on August 01, 2019 at the latest (last shipment).
