| <b>No "HC" printing</b>  |  |  |
| <p>As part of the ongoing product improvements, the "HC" printing on the side is removed (see illustration). The HC marking is not required, because this housing type is only available as a "HC" (high current) version. This change does not affect any other technical or electrical data of the connectors. The dimensions of the connectors also remain unchanged.</p> |  |  |
