Doc no. : OVERSEAS SALES-A19-0530-1
Attn : To whom it may concern
CC : NIL
Subject : Changing Marking Origin of the products

We wish you and your company continued success

Due to the strengthening of import customs of Korea, it is necessary to mark the origin of the products manufactured in SAMWHA Tianjin factory.
(Unable to import customs clearance without country of origin)

1. Logistics (same as current process)

- ① SAMWHA Korea place a production order to SAMWHA China (Tianjin)
- ② Tianjin Samhwa shipment after production
- ③ incoming to SAMWHA Korea after custom clearance
- ④ warehousing after incoming inspection
- ⑤ To each customer shipment from Korea

2. Export Documents

Section	current	revision
Invoice	Made in Korea	separate by country of origin 1) Made in Korea 2) Made in China
Packing method	pallet packed regardless of country of origin	each pallet has only one country of origin
B/L	one B/L regardless of country of origin	BL will be seperated by country when customer's asked

* Current

Invoice & Packing list are made without separate classification of products made by Korea or China

* Revision

'Products made by Korea' and 'Products made by China'

Pallet packing, Documents(Invoice and Pakcing List) will be made seperately and shipped on one BL. But, BL can be made seperatly when requested by customers

It will be valid From the date of shipment after July 1st, 2019
Kindly inform us by 10th of June, if you have any inquiry
