Detailbeschreibung der Änderung

Technical description – purpose

Discontinuation

Technical description – detail

We aim to provide you with state-of-the-art products for your application. From time to time it is therefore necessary to phase out some components for commercial or technical reasons. This correspondence is notice of the discontinuation of the PCB terminal blocks listed in the attachment. As an alternative to the press-in technology, we will be happy to provide you with similar PCB terminal blocks as replacement products for the wave soldering process. This correspondence is notice of the discontinuation of the PCB terminal blocks listed in the attachment. The following timing plan is in place: Official discontinuation: November 1, 2019 // Final order: April 30, 2020 // Final delivery: October 31, 2020. Thank you for your understanding and we look forward to continuing our successful cooperation.
