2. Reason for termination:										
<p>The long knurled locking screws 09 67 000 9925 and 09 67 000 9930 are no longer necessary as spareparts because with the change to our new design the locking screws are captive and cannot be changed.</p> <p>HARTING offers new sets with already assembled long knurled locking screws. To keep a systematic in the part numbers, we have to change the partnumber for the hood family 09 67 0xx 0423.</p>
