

Product change information (PCN)

PCN No.:	ACK170102A	Date:	17.12.2018
Products:	Design change due to new corporate specifications/standardization		

Order No.	Designation	As of product revision	Hardware/firmware, old	Hardware/firmware, new
	See product list			

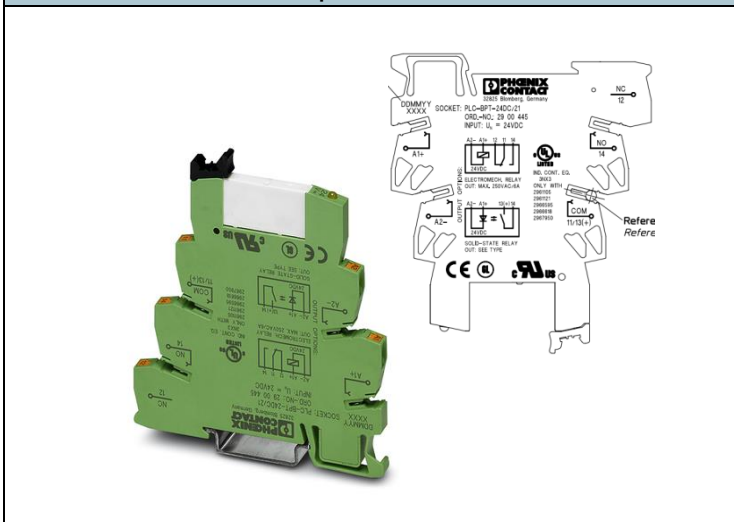

Description of change

Product appearance (fit)
 Product geometry (form)
 Product function (function)

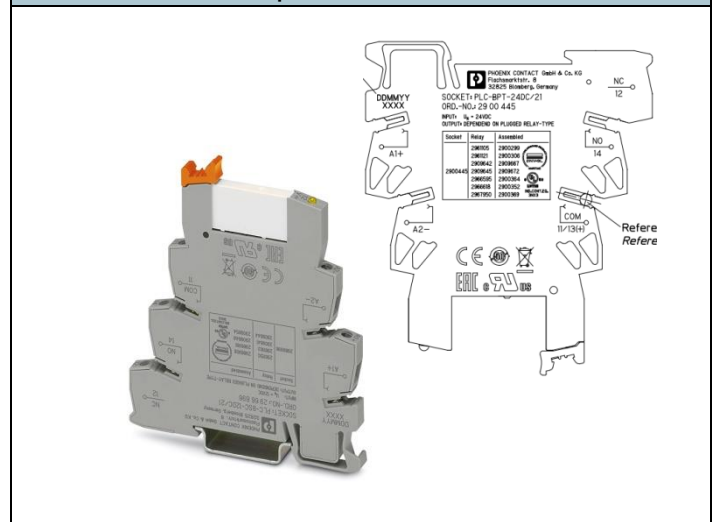

As part of a design standardization, the appearance (color, printing) is being unified. The color of the housing parts and connection terminal blocks will be changed to RAL 7042.

The technical properties of the products in the new color will remain unchanged.

Previous production status

New production status

Expected initial delivery of the changed product(s)

April 1, 2019
