## Product Change Notification

1. ECR #: 193583  
Notification #: 521

2. Date of Announcement: June 08, 2020

### 3. Series:

- UMPS - UMPS ASSEMBLY

### 4. Part #'s Affected

- UMPS-XX-XX.X-X-VT-XX-XX-X

### 5. Description of Change:

1. Reduced mate/un-mate forces to ease connector mating. Revised contacts passed standard qualification tests. 2. Modified surface mount tails to add bulk joints to the original fillet only solder joints. Revised surface mount tails passed standard qualification and interconnect processing tests.

### 6. Method of Identifying Change

Visual inspection.

### 7. Reason for Change:

1. Reduced mate/un-mate forces to ease connector mating. Revised contacts passed standard qualification tests. 2. Modified surface mount tails to add bulk joints to the original fillet only solder joints. Revised surface mount tails passed standard qualification and interconnect processing tests.

### 8. Impact of Change on Form, Fit, or Function:

- Function - Reduced mate/un-mate forces to ease connector mating. Modified surface mount tails to add bulk joints to the original fillet only solder joints.

9. Projected Implementation Date: September 06, 2020

**Disclaimer**

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Engineering Change Notification emails, please contact [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com). Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com) for any questions related to this change.
