

Product change notification (PCN)

Title / short description	Packaging change RJ45 INDUSTRIAL connectors
Affected article category	Connectors
Change category	Packaging, Documentation
Change number	CAB200018-02

Purpose/objective of the change

Packaging optimization

Detailed description of the change

The packaging will be changed from a folding carton to a tubular bag. The relevant information will be printed directly on the bag to facilitate assembly in the field. This also includes a true-to-scale representation of the cable stripping dimensions. Moreover, a QR code will allow easy access to further product-relevant information with a direct link to the download area on the product website. Therefore, hardcopy installation instructions will no longer be included.
