

Product change notification (PCN)

Title / short description	New equipment
Affected article category	Electronic housing
Change category	Form and appearance
Change number	CAC190009-00

Purpose/objective of the change

New tool

Detailed description of the change

The previous metal tool has reached the end of its service life and must be replaced with a new tool. Due to a new bond to the metals, there are indents at pins 2 and 3 (see figure). Although these are now visible, they have no effect on the technical characteristics.
