Title / short description	WEEE marking added to RJ45 couplers
Affected article category	Connectors
Change category	Marking, Form and appearance
Change number	CAB200069-01

Purpose/objective of the change

Adjustment based on statutory requirements

Detailed description of the change

According to the WEEE directive (avoidance and reduction of electrical and electronic equipment waste), any products that are covered by the directive and that have sufficient space must be marked with the WEEE symbol (struck-out trash can). In line with this, the symbol will be added to the upper side of the couplers.
