

Product change notification (PCN)

Title / short description	Product marking SAC-/NBC-/VS- with CE and WEEE
Affected article category	Sensor/actuator cabling
Change category	Marking
Change number	CBF200054-1

Purpose/objective of the change

Product marking SAC-/NBC-/VS- with CE and WEEE

Detailed description of the change

The product groups SAC-, NBC-, and VS- will have the CE and WEEE logo added as a product marking in addition to the label marking on the outer packaging. The marking will be positioned on the connector grip body. Previously, there were two Phoenix Contact logos in each grip body. One of these will be replaced with the CE and WEEE logo. The printing plate on the SAC valve connector products will be adjusted accordingly. See the attached presentation for more.

The CE marking will be added according to the European requirements in accordance with RoHS and/or the Low Voltage Directive.

Starting on February 15, 2021, the change will be made sequentially throughout 2021 and implemented smoothly in the various product groups. Mixed deliveries cannot be avoided.

The affected order numbers are listed in the attached Excel table.

Identifying characteristics

See presentation

Start of Production (SOP)	-	Last Time Delivery (LTD)	-
Effective date (EOP)	2021-02-15	End of Service (EOSR)	-
End of Sales (EOS)	-		

Short-term change (< 6 months) or discontinuation (< 12 months), due to:
