Title / short description	Eccentric change
Affected article category	Terminal blocks
Change category	Form and appearance
Change number	CBE190169-01
Change comment	

Purpose/objective of the change

The insertion of two screws provides even greater stability when operating PTPOWER. The modified eccentric enables operation with a wider range of screwdrivers than before.

Detailed description of the change

Housing reinforced by two cross-bracing screws for both housing halves
Actuation shaft on the eccentric adapted to accommodate screwdrivers with insulated shaft.

Identifying characteristics

In the installed state, the screws are not visible from above.

Stock can be mixed. The change does not affect the accessories used thus far.
