25th June 2021

Notification: End of Life

NIC Product Affected: 100 PPM/°C temperature coefficient of resistance (TCR) in NCST and NCST-A series of current sensing chip resistors.

NCST: <https://www.niccomp.com/products/catalog/ncst.pdf>

NCST-A: <https://www.niccomp.com/products/catalog/ncst-a.pdf>

- EOL Part numbers: (see **EOL PNS** shown in the table below)
- Reason for EOL: Production yield and costs
- Last time order: Supporting existing business from established customers; December 25th, 2021
- Last time delivery: December 25th, 2022

CASE SIZE	TOLERANCE	EOL PNS
0805	1%	NCST10F ETRF
