

Product change notification (PCN)

Title / short description	Change to the dimensions
Affected article category	Relay modules
Change category	Form and appearance, Documentation
Change number	ACK170145-00
Reason for PCN/PDN Revision	

Purpose/objective of the change

Extension to the insulating properties of the PLC-ATP BK partition plate

Detailed description of the change

New accessories for the PLC-INTERFACE product range and taller relay modules mean that it is necessary to adjust the dimensions of the associated partition plate. This allows the customer to continue to meet all requirements for safe isolation between adjacent circuits easily using the partition plate.

Identifying characteristics
