

Product change notification (PCN)

Title / short description	Material change
Affected article category	PCB terminal blocks and PCB connectors
Change category	Material
Change number	CAA210203-
Reason for PCN/PDN Revision	

Purpose/objective of the change

Maintaining supply capability

Detailed description of the change

Our supplier for PBT plastics has discontinued the blue color (RAL 5015) that is required for the production of certain product families. Unfortunately, this means that we have been forced to change the insulating material of item MC(V) 1,5/..-G BU from blue PBT to blue PA with immediate effect. The color change is within the range of the usual series variations. Due to the material change, the CTI value in accordance with IEC 60112 will increase from 225 to 600. All other technical data, dimensions, and approvals remain unchanged. VDE approval will be provided later.

Identifying characteristics

Start of Production (SOP)	-	Last Time Delivery (LTD)	-
Effective date (EOP)	2021-12-01	End of Service (EOSR)	-
End of Sales (EOS)	-		

Short-term change (< 6 months) or discontinuation (< 12 months), due to:
