

Product change notification (PCN)

Title / short description	Contour changes on the plastic housing
Affected article category	PCB terminal blocks and PCB connectors
Change category	Form and appearance
Change number	CAA230122-01
Reason for PCN/PDN Revision	Item list update

Purpose/objective of the change

Change to the inner contour of the plastic housing

Detailed description of the change

To optimize the manufacturing process and within the scope of tool adaptation, the interior contour of the plastic housing is being changed. This change will have no effect on the external dimensions or the drill pattern. Likewise, the technical data will not be affected by this change. This change only affects items on the accompanying list. Depending on the amount of stock, both versions will be supplied in parallel during the changeover phase.
