<b>Title / short description</b>	Discontinuation of the HEAVYCON EVO metal portfolio
<b>Affected article category</b>	Connector
<b>Change category</b>	Discontinuation
<b>Change number</b>	IBF240010-00
<b>Reason for PCN/PDN Revision</b>

### Purpose/objective of the change

Discontinuation of the EVO metal series of our HEAVYCON connectors.

### Detailed description of the change

For production and commercial reasons, it is necessary to regularly check the product range and adjust the product lifecycle accordingly. As a result, the EVO metal portfolio will be discontinued. The EVO plastics portfolio can be used as an alternative to ensure flexible cable outlets using a bayonet screw connection. If a metal housing is required, the proven HEAVYCON STA portfolio can be used instead. To identify replacement parts, please see the attachment included.
