## Product Change Notification

<b>PCN #:</b>	AM20250415-1
<b>Issue Date:</b>	April 15 <sup>th</sup> , 2025
<b>Products series affected:</b>	AMEL10-277HAVZ, AMEL15-277HAVZ, AMEL15-277HALPZ and AMEL20-277HAVZ series
<b>Product list:</b>	All part numbers from the AMEL10-277HAVZ, AMEL15-277HAVZ, AMEL15-277HALPZ and AMEL20-277HAVZ series.
<b>Effective Date:</b>	All part numbers from the AMEL10-277HAVZ, AMEL15-277HAVZ, AMEL15-277HALPZ and AMEL20-277HAVZ series shipping from Aimtec as of the issue date of this PCN.
<b>Description of change:</b>	<p>The AMEL10-277HAVZ, AMEL15-277HAVZ, AMEL15-277HALPZ and AMEL20-277HAVZ series datasheets have been updated to include the specifications for the over voltage category. The over voltage category of all the above series of products has been confirmed to OVC III.</p> <p>No other changes to the product's performance and specifications have been made.</p>
<b>Reason for change:</b>	This change ensures that the over voltage category specifications are clearly defined in the datasheet.
<b>Customer Impact:</b>	Aimtec recommends reviewing the datasheet and testing the parts as necessary.
