Capacitor Production Department

**EOL/NRND Notice of Radial Aluminum Electrolytic Capacitors
 (Low Capacitance Type)**

We would like to take this opportunity to extend our heartfelt appreciation to you and your esteemed organization for the continuous support rendered to our company.

We have produced an extended range of products with many size variations to satisfy customers' demand. However, since we have received notice from our material suppliers that they will be discontinuing some of their raw material production, we are obliged to discontinue the production and sales of the following range in our catalogue.

We sincerely ask for your understanding and cooperation.

EOL Items

Series	Range Affected	LTB Date	EOL Date
PK, TWL, NXA	Voltage less than or equal to 100V and Capacitance less than or equal to 1uF	2026/7	2026/10
PX, YXJ	Voltage less than or equal to 100V and Capacitance less than or equal to 2.2uF	2026/7	2026/10
RX30	Voltage less than or equal to 100V and Capacitance less than or equal to 10uF	2026/7	2026/10

NRND Items

Tentative¹

Series	Range Affected	LTB Date	EOL Date
PK, TWL	Voltage less than or equal to 100V and Capacitance less than or equal to 2.2uF	2027/7	2027/10
PX	Voltage less than or equal to 100V and Capacitance less than or equal to 3.3uF	2027/7	2027/10
YXJ	50YXJ3R3M5X11	2027/7	2027/10
RX30	100V items from 22uF~470uF	2027/7	2027/10

¹Subject to change

For further details please kindly inquire with your local sales office.

An appendix of items has been provided for your convenience. This list has been provided for reference and may not be comprehensive. Please check individual items on our website.

Sincerely yours,
