Change Description

We would like to inform you about an upcoming product improvement concerning the items listed in this notification. As part of our continuous commitment to quality and regulatory compliance, the affected products have received enhanced UL and CSA certifications. To reflect these upgraded approvals, the product label will be updated accordingly. The improved certifications offer the following advantages: Expanded acceptance in global markets through strengthened UL/CSA compliance.
Simplified product integration for end users and system certifiers due to updated labeling transparency.
