---

### Purpose/objective of the change

Item discontinuation as part of portfolio streamlining

### Detailed description of the change

We aim to provide you with state-of-the-art products for your application. It is therefore necessary to phase out some components from time to time for commercial or technical reasons.

We are happy to help you design a state-of-the-art solution with our current product portfolio.

### Identifying characteristics

See attached item list for discontinued items

|                                  |            |                                 |            |
