Product Marking Change Notification for TMOV[®] 14mm Varistor Series (PCN# 3321E)

Dear Valued Customers,

Littelfuse would like to notify you of a change relating to the product marking of TMOV[®] 14mm Series.

In order to improve product marking process productivity and capacity for TMOV[®] Varistor Series, we will start to use new laser marking process for TMOV[®] 14mm Series. There will be no changes to the electrical or dimensional specifications.

Please see the following marking photo and affected part number list. This new marking format will be implemented from **September 1st, 2013**.
