Subject: MOQ Increase for 67X Series

Littelfuse would like to inform you that the minimum order quantity (MOQ) for the Cartridge fuse 672, 673, 674, 675, 676 and 677 series will increase to 10,000 pieces from current 1,000 pieces.

We appreciate your business. However, low order quantities in the past number of years have resulted in significantly higher cost in terms of raw materials purchase and stock-keeping. Such MOQ adjustment is intended for us to maintain the unit selling price for the 67X series. Please also note that the sample order has a limit of 30 pieces as the maximum quantity.

The above-mentioned MOQ change will be made effect on June 18<sup>th</sup>, 2014. Should this change concerns you, please do not hesitate to contact your local Littelfuse representative and ask for the replacement part numbers which may be available with standard MOQ of 1,000 pieces.

Best Regards,
