

PRODUCT OBSOLESCENCE NOTICE

March 25, 2014

Dear Customer,

Murata Power Solutions (MPS) hereby gives official notification that the product(s) you may have purchased from us are becoming obsolete with immediate effect. Please kindly refer to the separate file for the obsolete product(s) list.

Via this notice we are offering our existing customers for the last time buy (LTB) opportunity of these products, and we will accept orders until **August 31, 2014**. Please note that this LTB may be subject to a minimum order quantity. Multiple releases will be accepted with a constraint that no releases may be scheduled past a ship date of **February 28, 2015**. Once placed, LTB orders cannot be cancelled, rescheduled, or returned for any reasons other than product quality. Quality issues need to be identified and communicated within 30 days of shipment.

To assist you with choosing an alternate part number, we have listed pin to pin Compatible Recommended Alternate part numbers in the list. In some cases, there are more than one Recommended Alternate part number to provide you with more than one choice for your system requirements.

Should you have any questions or concerns, please contact your local Representative, Distributor, or Regional Sales Manager at <http://www.murata-ps.com/offices.html>.

For technical questions or design-related issues, please contact our Applications Engineer for your area.
