Description of Change	<p>Due to lack of availability, TT Electronics' supplier is discontinuing its WCCHB / WCDH power current sense resistors product line. No further orders will be accepted, with immediate effect</p> <p>For long-term supply continuity, recommended replacement products are WH Aluminium Housed Wirewound resistor or WDBR Ultra Low Profile Resistors. Alternatives may need to be placed in series/parallel combination to reach WCCHB / WCDH power rating.</p>
Reason for Change	TT Electronics' supplier of WCCHB / WCDH power current sense resistors has discontinued offering the products to TTE without prior notice.
Implementation Plan	TT electronics is unable to accept orders for the affected part numbers with immediate effect.
Customer Impact	Customers who have purchased WCCHB / WCDH are affected by this change notification. For long-term supply continuity, TT electronics has identified alternative products.

Recommendations	<p>For the WCCHB / WCDH series, TT electronics recommends replacement products are WH Aluminium Housed Wirewound resistor or WDBR Ultra Low Profile Resistors. Alternatives may need to be placed in series/parallel combination to reach WCCHB / WCDH power rating</p> <p>Please contact your local TT electronics representative if you have any questions or concerns regarding this recommendation. WH and WDBR datasheets are available online using the links provided.</p>
Availability of Previously Manufactured Product	No inventory is available.
