Product discontinuation of bulkheads
Please forward this information to your electrotechnical departments and/or customers

Dear Sir or Madam,

It is our target is to offer modern products for your application. For economic and technical reasons, it is therefore necessary to remove components from our delivery program from time to time. We herewith inform you on the discontinuation of the articles listed in the annex.

For your foreseeable demand of spare parts, you still have the opportunity to order the respective listed products until November 2, 2015. The last delivery will be effected on November, 30, 2015 at the latest.

The UL certified alternative articles will be available as of November 2, 2014.

We would be happy to support you with the conversion of your machine or system configuration. For further questions or making appointments, please contact us or our field representative.

Thank you very much for your understanding. We are looking forward to a continuing good cooperation.

Kind regards,

PHOENIX CONTACT Deutschland GmbH
